RESCHIO ESTATE

UMBRIA

Set within 1,500 hectares of Umbrian wilderness, this ancient castle has been transformed into a modern-day masterpiece of architecture and interior design. The Bolza family have spent 25 years lovingly restoring the estates' farmhouses into stunning one-of-a-kind private homes, and now welcome guests to their 36-bedroom boutique hotel.

WHEN TO GO

+ Whether you love horse riding, e-biking, cooking, truffle hunting, tennis or fishing, visit all year round for adventure and relaxation.

HOW TO GET THERE

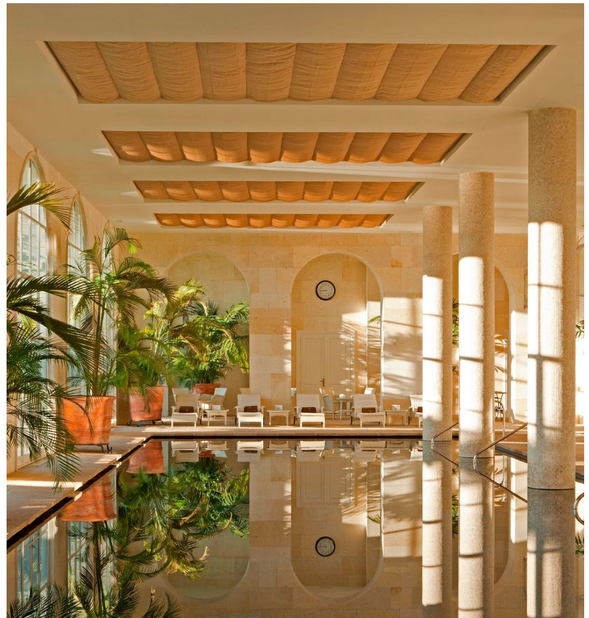

+ Fly into Perugia, Florence, Bologna or Pisa and be met by Reschio's drivers for a short transfer to the secluded estate.

FINCA CORTESIN

MARBELLA

Located between Sotogrande and Marbella, Finca Cortesin combines traditional Andalusian style with contemporary Mediterranean living. The famous golf course at Finca Cortesin, the 2023 Solheim Cup host, features the world's first eco-sustainable and environmentally-friendly grass on its greens.

WHEN TO GO

+ Summer is the best time to enjoy the three outdoor swimming pools, tennis and padel tennis courts, as well as a spectacular beach club. Southern Spain also benefits from mild autumns, so this is a great place to visit for all-season sunshine.

HOW TO GET THERE

+ Fly privately into Malaga Airport where you will be met by a chauffeured vehicle to take you to the coast-side estate.

Calder & Co

WHEN TO GO

+ This gorgeous island operates on a seasonal basis, so be sure to visit in the summer to enjoy the top-notch cuisine served up by local restaurants. We recommend visiting in June or September when the island is less busy, but the weather is still beautiful.

HOW TO GET THERE

+ Fly privately into Mykonos island and hop over to Antiparos via helicopter. You could even pair this with a stay in Mykonos at another of our favorite hotels, Kalesma.

THE ROOSTER

ANTIPAROS

A hidden gem on a tiny magical Greek Island. Overlooking the unspoilt beach of Livadia, The Rooster is built within a 30-acre land of hills, old local homes, rocks and sand dunes. Its 16 superbly camouflaged houses are designed for guests who crave privacy, tranquility, elegance, harmony and balance.

BADRUTT'S PALACE

ST MORITZ

Historic, iconic and with unrivalled views of the lake beneath it, Badrutt's Palace is a Disney-like gothic landmark calling the super-chic to ski and be seen. We recommend enjoying the heated outdoor pool with a glass of champagne or the Snow Polo with world-famous hot chocolate.

WHEN TO GO

+ Open all year round for lake paddleboarding in the summer or ice driving in the winter. With over 300 days of sunshine a year, there's never a bad time to visit St. Moritz.

HOW TO GET THERE

+ A Rolls-Royce will be waiting to collect you from Samedan Airport for a 9-minute transfer to the Palace.
